

## **Flip to new Bank Draft Electronic Funds Transfer**

NCRSP wants all current members on dues deduction to “switch” to bank draft. A form is being developed to flip from the current payroll deduction method to bank draft. Here are the steps:

1. Complete a new form
2. Authorize a deduction from your bank account
3. Attach a voided check to the form
4. Return the form and check to the state office
5. Member will be informed of the specified date of the draft, September 2012

### **Ways YOU can “Flip” or help others “Flip”**

1. Make the FLIP on the form that will be mailed directly to you in the next month
2. Return your form with your voided check
3. Convert to bank draft on-line when sent a secure website address
4. Take a voided check to the NCRSP convention and FLIP there
5. FLIP at our local TCRSP meeting
6. Visit retirees who are unable to attend meetings and help FLIP them.
